

PREPARING PRINTS FOR COMPETITION

Competitions are held four (4) times a season on the first Wednesday of October, December, February, and April. Competitions start promptly at 7:30 pm. Prints need to be submitted no later than 7:10 pm. Someone will be available at 7:00 pm to start checking in entries.

Mount Each Print - Mount competition prints on the appropriate sized matboard (small prints - 11 X 14 or large prints - 16 X 20). Prints displayed on those matboards can be any size. Matboards can be purchased at the sign in table before or after each meeting.

Label Each Print - All submitted prints must contain an *original* title. Fill out a label for each print with the title of the print, your name, address, telephone number, and date. Be sure to mark whether it is a color or monochrome print and your competition class (B, A, AA, AAA). If unsure as to what class you are in, check with the Committee Chair prior to competition. Place the filled-out label on the back side of the matboard in the UPPER LEFT-HAND CORNER.

Prints that receive Awards and Honorable Mentions - Prints (both Color and Monochrome) which receive Awards or Honorable Mentions at an ACC bimonthly competition **MAY NOT** be entered again in any other ACC bimonthly competition. You cannot change the image from color to monochrome or vice versa and re-enter it again. Once an image wins an honor in any category, it must be retired. This does not apply to the final end-of-year competition.

***Make-Up Entries** - A maximum of two small and two large monochrome prints and two small and two large color prints may be entered in any one monthly competition to make up for missed entries. Prints entered as make-up may be shown as the last entries on the Competition Entry Form or on a separate form clearly marked as "Make-Up." Make-up entries are ineligible for Award and Honorable Mention selection. All efforts should be made to avoid the need for make-up entries.
