

## Year End Certificates of Recognition

At the Arlington Camera Club's last meeting, the competition committee will be awarding Certificates of Recognition to club members for each competition class. To be eligible for recognition consideration, you must enter a **minimum of 4** prints/DPIs in a category throughout the competition season. Recognitions are determined by the members' totals of their 4 highest scores throughout the competition season in each of the categories listed below.

The categories are:

COLOR PRINTS – includes total of 4 highest entry scores from small & large prints combined

MONO PRINTS – includes total of 4 highest entry scores from small & large prints combined

COLOR DPI – includes total of 4 highest scores

MONO DPI – includes total of 4 highest scores

There are 4 competitions throughout the year which gives members many opportunities to compete and increase scores throughout the season.
