

Year End Certificates of Achievement

At the Arlington Camera Club's last meeting, the competition committee will be awarding ***Certificates of Achievement*** to club members for each competition class. To be eligible for achievement consideration, you must enter a **minimum of 3** prints/DPIs in a competition category throughout the competition season. Achievements are determined by the members' totals of their 3 highest scores throughout the competition season in each of the categories listed below.

The categories are:

COLOR PRINTS – includes total of 3 highest entry scores from small & large prints combined

MONO PRINTS – includes total of 3 highest entry scores from small & large prints combined

COLOR DPI – includes total of 3 highest scores

MONO DPI – includes total of 3 highest scores

There are 4 competitions throughout the year which provides members many opportunities to compete and increase scores throughout the season.
